GOREGAON
EDUCATION SOCIETY

GES ENGLISH MEDIUM SCHOOL

220, Jawahar Nagar, Road No. 14, Goregaon (W), Mumbai 400104.

Welcome to GESEMS

*A learning community dedicated to building
respectful and responsible citizens and
empowering all learners.*

About the School

The GESEMS (ICSE), is a co-educational school established and managed by the Goregaon Education Society. Knowledge imparted here aims at promoting an all-round development of the child's personality in the ambience of the Indian heritage, culture and traditions. The thrust is focused on values - Physical, mental, emotional and spiritual. The school is an unaided institution and prepares the students for the Indian Certificate of Secondary Education (ICSE) affiliated to Council of Indian certificate of secondary education.

ISO 9001:2015

Achieved ISO 9001:2015 certificate to provide quality education.

MISSION

To prepare the child for the challenges of tomorrow

VISION

To create an individual who will be able to compete in all sections of life, accomplish and skill, herself/himself to realize the concept- "KNOWLEDGE IS POWER".

OBJECTIVES

GESEMS focuses to create a balanced individual.

The objectives laid by the institution aims to nurture the young minds, for the future.

- Empowering the students with leadership qualities.
- Enabling students to realize their highest potential.
- Providing a stress free, positive environment.
- To bring out their intellectual, physical, psychological and ethical skills through a systematic and holistic education system for all round development.

VALUES

- Integrity
- Passion
- Empowerment
- Dignity
- Accountability.
- Empathy

FROM THE DESK OF THE CHAIRMAN

Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This visionary culture allows and emphasizes our wards not only to adapt to the present-day challenges but also carry out the individual responsibilities towards the society and our nation at large. Learning should be based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learners to acquire and apply their knowledge, the whole process will remain superficial. Our candid commitment aims at nurturing and giving a beautiful shape to our GESEMSIANS who will surely build a healthy and a concrete society that contributes towards the development of the country. We understand the needs of our country to evolve in the fields of Science, Technology and Education. Thus, we cater to build up the skills for an overall personality development of our young generation when they step into the world of competition.

HARSHAD PATEL
CHAIRMAN

PRINCIPAL'S MESSAGE

"The highest education is that which does not merely give us information, but makes our life in harmony with all existence" - Rabindranath Tagore

Today's education system faces a greater challenge in terms of imparting the right knowledge and the apt experience that blends to create wonderful, young and successful students. We at GES English Medium School provide every treasured child a platform, to move with a positive mind full of confidence so that he grows up to become a sensitive citizen and take his country towards prosperity.

Learning is not limited to schools and colleges only, nor does it end with conclusion of one's school career. It is indeed a lifelong process. This school is oriented to the total formation of a child through adaptation of various methods suiting the dynamics of changing world. It is further characterized by shared vision-responsibilities and above all, love and faith in God in order to achieve these goals.

UMA MUKERJI
PRINCIPAL

“The power of inspiration”
Inspiration is a light that transforms rain into rainbow

Students success comes from
a positive learning environment.

CURRICULUM

Pre-Primary (Playgroup, Nursery, Jr.KG, Sr.KG)

The system followed being informal, the budding ones learn through 'Play, Fun and Theme Based Learning. The motto of the pre – primary section is 'We groom to bloom' which is achieved by a team of competent and creative faculty with creative and fun educational resources. The Learning Approach is to provide emotional support, to stimulate curiosity through games and puzzles, storytelling and art and craft.

Salient features

- Student –friendly theme based infrastructure.
- Qualified, trained and experienced faculty
- Spacious AC classrooms with Interactive smart boards
- School under 24x7 CCTV surveillance.
- Extensive play area with modern equipment.
- Hygienic Environment with a pool for water based activities.
- Innovative, fun based and child friendly educational toys.

Primary (Grade I To Grade V)

With the prescribed syllabus by ICSE council, New Delhi, formal education system is followed through, Continuous Comprehensive Evaluation (CCE).

Students in the primary section From Grade – I to Grade -V are groomed to be confident, competent and are encouraged to develop a love for learning .With a curriculum based on learning by doing, inquiry and exploration, they are guided to use their knowledge and skills to cope with real life situations and challenges that are integrated with digital pedagogies. Classroom spaces are ergonomically designed to support the learning. The trained and experienced educators of primary section make the school a special place to be in. We aspire to nurture students who will thrive in the new millennium.

We will open
the world of knowledge for you.

CURRICULUM

Secondary - (Grade VI to Grade X)

As students grow up to become young adults and enter the secondary section, emphasis is laid on honing their skills and make them independent learners. They are encouraged to be confident and competent individuals who can solve problems and take decisions in life. We teach our students to be responsible by taking accountability for their decisions.

In Grades V to X the syllabus prescribed by the ICSE board is followed with an integrated and multiple intelligence approach. Commerce, Art and Computer Application are offered based on the aptitude of the students from Grade IX well trained experienced faculty support and guide the students to be thinkers and enquirers who wonder and pose questions.

Co-curricular activities are good for improving
students learning experience

INFRASTRUCTURE FACILITIES

A splendid architecture, the spacious and highly ventilated building with the state of the art facilities highlighting hygiene and convenience makes it student friendly.

Classroom

The air-conditioned spacious classrooms are equipped with smartboards enabling the teachers and the students to benefit from the technology in teaching and learning process. The user-friendly furniture provides a comfortable space to enhance the students to learn at ease.

Computer Lab

Information technology is a crucial part of the teaching – learning process system at GES. With emphasis on practical use of softwares taught and their integration with subjects like Mathematics, Science and Social Studies. GES is thus well equipped with a modern & updated lab.

Music Room

The music room at GES is a space dedicated to the learning of music and playing of musical instruments. This room exudes the dynamic energy of musical notes with various musical instruments.

Art & Craft Room

'Art is uplifting of the beautiful so all can see and enjoy.' Art has the power to transform, to illuminate, to educate to inspire and motivate. The Art and Craft area in GES is a place where the imagination and creativity of the child is nurtured. Each child is an artist who paints and colours in an environment that is motivating, supportive, non-judgemental and full of creativity.

Activity Hall

The vast Air-conditioned activity hall is the hub of all activities in GES. With the state of the art, sound and light system the hall is used for assemblies, competitions, theatrical performances and workshops.

Sports Room

'A healthy mind remains in a healthy body'. Sports play an integral part in the curriculum of GES. The students eagerly wait for their P.T periods. The Sports room is well equipped with a Table Tennis, Carom and Chess boards facilitating the children to play the indoor games to build their mental and physical vitality. The spacious area in the school premises lets the children play physical games like Throw ball, Handball, Kho – Kho.

Library

GES believes in 'A Reader today is a leader tomorrow'. The vast spacious library with the most interesting collection of nearly four thousand books of both fiction and non-fiction by classical to contemporary writers is ever inviting to the students to read, learn, research and gain knowledge to face the competitive world outside.

Laboratories

Physics, Chemistry, Biology laboratories are designed to meet the academic requirements of students, extend the hands-on experience through practical work and investigatory projects.

Medical Room

The school has a designated room to cater the student's medical need with first aid box .In addition to this, the school organizes health checkups at regular intervals to safeguard the health of all the students.

Counselling Room

The school has an expert counsellor to cater to the emotional, behavioral and learning issues of the students and the staff.

Transportation

The school provides transport facility to the students at a reasonable cost with a female attendant.
