**GES ENGLISH MEDIUM SCHOOL (ICSE)**

Welcome to  
GESEMS

"Empowering Minds, Enriching Futures"

## MESSAGE FROM THE CHAIRMAN

Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This visionary culture allows and emphasizes our wards not only to adapt to the present-day challenges but also carry out the individual responsibilities towards the society and our nation at large.

Learning should be based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learners to acquire and apply their knowledge, the whole process will remain superficial. Our candid commitment aims at nurturing and giving a beautiful shape to our GESEMSIANS who will surely build a healthy and a concrete society that contributes towards the development of the country.

We understand the needs of our country to evolve in the fields of Science, Technology and Education. Thus, we cater to build up the skills for an overall personality development of our young generation when they step into the world of competition.

**HARSHAD PATEL**

**CHAIRMAN**

## MESSAGE FROM THE CEO

Today's education system faces a greater challenge in terms of imparting the right knowledge and the apt experience that blends to create wonderful, young and successful students. We at GES English Medium School provide every treasured child a platform, to move with a positive mind full of confidence so that he grows up to become a sensitive citizen and take his country towards prosperity.

Learning is not limited to schools and colleges only, nor does it end with conclusion of one's school career. It is indeed a lifelong process. This school is oriented to the total formation of a child through adaptation of various methods suiting the dynamics of changing world. It is further characterized by shared vision-responsibilities and above all, love and faith in God in order to achieve these goals.

I strongly believe that true education should impart knowledge, foster creativity and instill respect for tradition and culture in children. Together as a team with our faculty, we work to inspire children to excel in every aspect of their journey towards becoming exemplary citizens of tomorrow.

**UMA MUKERJI**

**CEO**

## MESSAGE FROM THE PRINCIPAL

As the Principal, I firmly believe that education is not just about imparting knowledge, but also about developing young minds and the moral fabric of our students. At our school, we are committed to providing a skill-based education that is stitched with strong moral values and conduct.

We believe that success is not just about achieving academic excellence, but also about developing the skills, values, and principles that will guide our students throughout their lives. Our curriculum is designed to foster critical thinking, creativity, and problem-solving skills, while also emphasizing the importance of empathy, kindness, and integrity.

As we strive for excellence in all that we do, we remain committed to our core values of respect, responsibility, and resilience. We believe that by instilling these values in our students, we are giving them the tools they need to succeed not just in their academic pursuits, but in all aspects of life.

At GES EMS, our vision and mission are built on the foundation of providing a world-class education that prepares our students for success. We are committed to fostering an environment that supports academic excellence, personal growth, and empowerment, ensuring our students are equipped to thrive in an ever-changing world.

## About the School

The GESEMS (ICSE), is a co –educational school established and managed by the Goregaon Education Society. Knowledge imparted here aims at promoting an all-round development of the child's personality in the ambience of the Indian heritage, culture and traditions. The thrust is focused on values - Physical, mental, emotional and spiritual. The school is an unaided institution and prepares the students for the Indian Certificate of Secondary Education (ICSE) affiliated to Council of Indian certificate of secondary education.

### ISO 9001:2015

Achieved ISO 9001:2015 certificate to provide quality education.

*"Shaping Young Minds, Building Bright Futures"*

### Mission

To prepare the child for the challenges of tomorrow

### Vision

To create an individual who will be able to compete in all sections of life, accomplish and skill, herself/himself to realize the concept-KNOWLEDGE IS POWER.

### Objectives

GESEMS focuses to create a balanced individual.

The objectives laid by the institution aims to nurture the young minds, for the future.

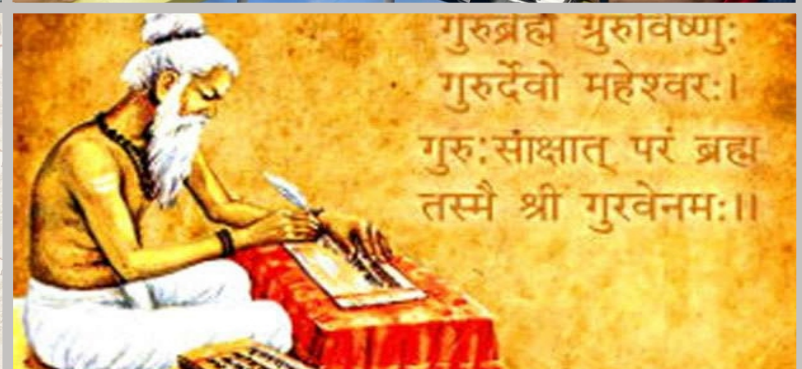

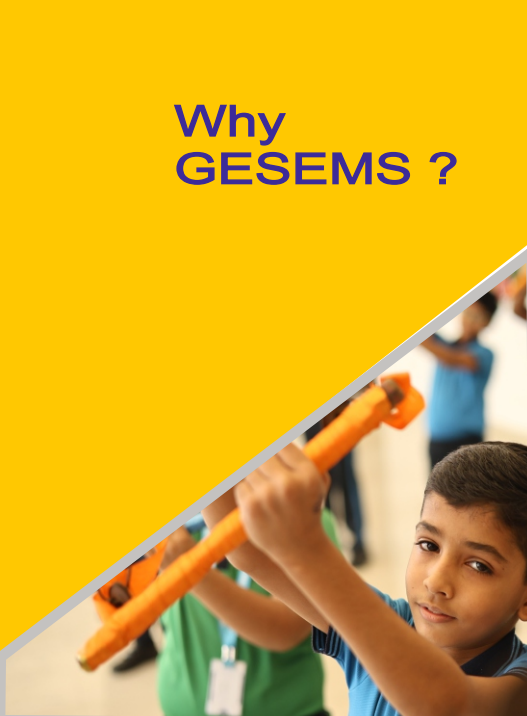

- Empowering the students with leadership qualities.
- Enabling students to realize their highest potential.
- Providing a stress free, positive environment.
- To develop out their intellectual, physical, psychological and ethical skills through a systematic and holistic education system for all round development.

### Values

- |               |                   |
|---------------|-------------------|
| • Integrity   | • Dignity         |
| • Passion     | • Accountability. |
| • Empowerment | • Empathy         |

## Why GESEMS ?

*"Unlocking Potential, Unleashing Success"*

## Student Well-Being at GESEMS

At GESEMS, student well-being is central to our mission, ensuring that every student can achieve both academic and personal success in a supportive environment. We provide comprehensive support through a range of resources focused on mental, emotional, and physical health. Our dedicated counseling team offers personalized guidance, and regular wellness workshops equip students with essential stress management and resilience skills.

A key component of our well-being strategy is the integration of yoga and meditation into our daily routines. These practices are designed to help students manage stress, enhance focus, and maintain emotional balance. Additionally, we emphasize the importance of physical exercise by incorporating various activities into our curriculum, from structured physical education to recreational sports, promoting both physical fitness and mental well-being.

*“A Journey of Discovery, A Path to Excellence”*

## Enhancing Holistic Development through Educational Trips

Educational trips at GESEMS are a cornerstone of our holistic development approach, offering students invaluable opportunities for growth beyond the classroom. These trips are carefully designed to enrich learning experiences, broaden perspectives, and foster essential life skills.

By immersing students in real-world environments, educational trips provide practical applications of classroom knowledge, bridging the gap between theory and practice. Whether exploring historical sites, engaging in scientific research, or experiencing cultural landmarks, students gain a deeper understanding of the subject matter and its relevance to their lives.

These experiences also promote critical thinking and problem-solving skills as students navigate new environments and challenges. Teamwork and collaboration are emphasized, helping students build strong interpersonal skills and a sense of community.

Additionally, educational trips foster personal growth by encouraging independence, adaptability, and resilience.

*"Educating Today, Inspiring Tomorrow"*

## Playgroup Programme

### D. S. PATEL LITTLE STARS PLAYGROUP

D. S. Patel Little Stars Playgroup follows a child centric method with a theme based learning. It is a regular and relaxed meeting for group of young children who haven't yet started school. In the playgroup, children do organised play activities together. They start exploring and interacting socially. This is the time they need to be given exposure to sensory materials and activities for their holistic development.

*"Transforming Lives, One Lesson at a Time"*

## Pre-primary Programme (Nursery, Jr.KG, Sr.KG)

The system followed being informal, the budding ones learn through 'Play, Fun & Theme Based Learning'. The motto of the Preprimary section is 'We groom to bloom' which is achieved by a team of competent & creative faculty with creative & fun educational resources.

### **Holistic Learning Experience**

At GESEMS, we foster a comprehensive education through innovative teaching methods. Our curriculum seamlessly integrates subjects to provide a cohesive understanding of the world.

### **Interdisciplinary Learning**

We adopt an interdisciplinary approach, connecting subjects like Mathematics, Science, Language Arts. This integration enables students to recognize connections between seemingly disparate disciplines, nurturing critical thinking and problem solving skills.

### **Phonics Program**

Our Phonics program, tailored for preprimary students, lays the foundation for reading writing excellence. Using systematic and explicit instruction, we guide students to:

◆Decode words effortlessly◆Build vocabulary◆Enhance fluency◆Comprehend complex texts

By combining subject integration and phonics, we equip students with a robust academic foundation, preparing them for future success.

### **Key Benefits**

◆Deeper understanding through contextual learning ◆ Enhanced literacy skills  
◆Developed critical thinking & analytical abilities ◆Strong foundation for lifelong learning

*"The Right Start, The Right Future"*

## Primary Programme (Grade I to Grade V)

With the prescribed syllabus by ICSE council, New Delhi, formal education system is followed through, Continuous Comprehensive Evaluation (CCE).

Students in the primary section From Grade – I to Grade -V are groomed to be confident, competent and are encouraged to develop a love for learning .With a curriculum based on learning by doing, inquiry and exploration, they are guided to use their knowledge and skills to cope with real life situations and challenges that are integrated with digital pedagogies. Classroom spaces are ergonomically designed to support the learning. The trained and experienced educators of primary section make the school a special place to be in. We aspire to nurture students who will thrive in the new millennium.

The curriculum focuses on cumulative learning through a sequential arrangement of learning experiences.

## Secondary Programme (Grade VI to Grade X)

As students grow up to become young adults and enter the secondary section, emphasis is laid on honing their skills and make them independent learners. They are encouraged to be confident and competent individuals who can solve problems and take decisions in life. We teach our students to be responsible by taking accountability for their decisions.

In Grades V to X the syllabus prescribed by the ICSE board is followed with an integrated and multiple intelligence approach. Commerce, Art and Computer Application are offered based on the aptitude of the students from Grade IX. Well trained experienced faculty support and guide the students to be thinkers and enquirers who wonder and pose questions.

The curriculum encourages further development of life skills.
