

## CHAIRMAN SPEAKS

“Education is the tool that breaks down all barriers. Education is part of the foundation of all progress and growth, both as an individual and as a society.” We are proud to comeback with the first edition of mirror after two years of pandemic. Though the world has come to a standstill, the learning process in the education world didn't stop. There is an upheaval of technology and innovative methods have been used in teaching and learning. It's indeed a moment of delight and happiness to start the offline school after pandemic. GESEMS is the first school to reopen after the pandemic and it is the first school in the vicinity to reopen the Pre – Primary section after the pandemic. It is the collective effort of the management, teaching and non- teaching staff and parents and students.

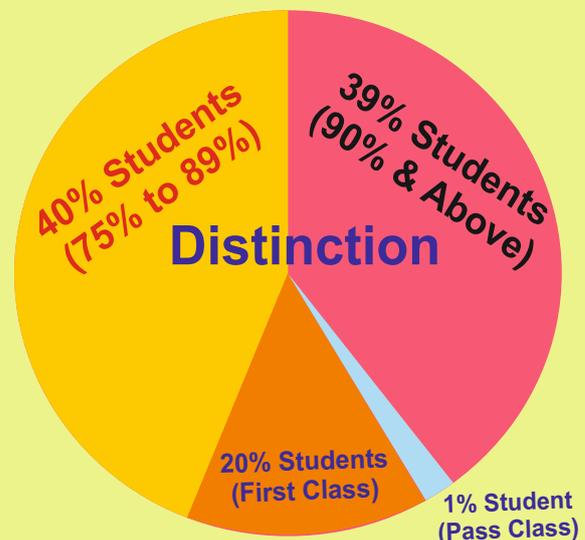

## From the Desk of the PRINCIPAL

As quoted by Aristototele “the roots of education are bitter but the fruit is sweet”. The lockdown was not for the creativity and learning as it only brought out the best of every aspect of human beings. It taught us the spirit of facing challenges bravely and confidently. Our students have shown tireless efforts and have come out with flying colours. We are extremely proud of each and every student for braving the unprecedented circumstances, working hard and achieving excellent results in ICSE board examination. I thank each and every member of management, Parent body, teaching and non – teaching staff for the support and efforts to make GESEMS achieve laurels.

## 100% RESULT OF ICSE GRADE X EXAM 2021 -2022

## STUDENTS CORNER ENGLISH POEM

### The virus that came in 2019

The virus that came in 2019.  
The lockdown the people have seen

The beds were full in the hospitals,  
The medicines became expensive in the medicals.

Doctors said that we all need immunity  
But we need the power of unity and humanity

Master Vaidik Mehta- VIII B

### TEACHER

I was in darkness,  
Until you came in my life.  
My mind was empty,  
Until you filled it with values.  
I was an unmoulded piece of clay,  
Until you moulded me.  
What is right and what is wrong  
I didn't know until you taught me so,  
I will always be grateful to you  
Oh! My benefactor.

Miss Zoya Selia - VIII B

### The Glumps

Into my room  
Slumped many glumps,  
Grumpy creatures  
Made of all lumps  
They kept me up  
With thumps and bumps.  
I couldn't rest with all those glumps  
So...I sang them songs  
I read them books  
Soon all the glumps  
Gave happy looks.  
They squeaked, they danced  
They lost their grumps  
But now - oh now  
Oh! They are full of jumps.
