Our Vision / Mission

To create an individual who will be able to compete with herself / himself in all walks of life and realize the concept of
“KNOWLEDGE IS POWER”

Objectives

Since G.E.S. is trying to create a balanced individual, the following objectives are laid for the institution to nurture our young ones for their future.

- *Empowering students with leadership qualities.*
- *Enabling students to realize their highest potential.*
- *Providing students a stress free and positive environment so that their intellectual, physical, psychological & ethical well being can be nurtured.*

A Life without Values, is Valueless

Live your Life

Life is a Book - Study it

Life is a Beauty - Worship it

Life is a Challenge - Meet it

Life is a Game - Play it

Life is a Struggle - Accept it

Life is a Duty - Perform it

Children Learn With What They Live

If a child lives with shame

he learn to feel guilty

If a child lives with criticism,

he learns to condemn

If a child lives with tolerance,

he learn to be patient

If a child lives with praise,

he learns to appreciate.

The Goal of Education

*When there is righteousness in the Heart,
There will be beauty in the Character.*

*When there is beauty in the Character,
There will be harmony in the Home.*

*WHEN there is harmony in the Home,
There will be order in the nation.*

*When there is order in the nation,
There will be Peace in the World.*

Today's Children, are tomorrow's Citizens
